

Fruit thee voor kinderen

Children Fruit Tea

Organic Fruit Tea Blend

FRUITY | **BERRIES** | **SWEETISH**

Particularly popular with small children. This fruit tea with apple, orange and strawberries sparkles in a vibrant strawberry red. Its fruity-tangy taste with a hint of apple is particularly popular with children. With a spoonful of honey, the fruity taste comes even more into the foreground. This tea goes very well with baking, fruit pies and cream cheese desserts.
