Ginger Energy Tea loose

Organic Spice Tea Blend

SWEETWOOD | **AROMATIC** | **HOT**

Nice and warming. The lemony and quite spicy tea shimmers in a light beige in the cup and goes well with Asian cuisine, Christmas pastries and aromatic cakes. Its zesty finish makes it an ideal digestive aid that provides relief after a hearty meal. Drunk cold with fresh mint and lemon, the mixture is a pleasing refreshing drink for summer. A must for every Asia fan!
